TEACHER WALL

SPECIFICATION & RETAIL PRICE LIST 2018

ISSUE 3

TEACHER WALL SYSTEMS

Alexander Green Office Interiors offer a range of four Teacher Wall systems for all areas of education. Each system offers unique alternatives which will increase the storage capacity of any classroom and will give flexibility for the interactive board/touch screen TV to be set at the relevant pupil age group/height.

We offer a complete **MADE TO MEASURE, MADE TO FIT** service, which means any school, college or university can get a Teacher Wall system that will make full use of the available space and suit the year group of the pupils. Our standard service includes on site consultation, CAD approval drawings, full site survey and installation by our own DBS certificated installation team.

KEY GUIDE

Teacher Wall System 1

Teacher Wall System 2

Teacher Wall System 3

Teacher Wall System 4

All four Teacher Wall systems are designed to have the following optional features:

- Gratnell Tray Unit Inserts for all Tray Sizes. (For tray colours visit www.gratnells.co.uk)
- Heavy Duty Single Storage Drawer
- Heavy Duty Double Storage Drawer
- Double Filing Drawer System
- Secure Laptop Pull Out Drawer
- 16 or 32 Tablet Charge and Sync Cupboard
- Sink and Taps

To maximise the classroom storage potential, all four Teacher Wall systems can accept the following storage cupboard options:

- Add on Storage Cupboard 818mm wide
- Add on Storage Cupboard 1038mm wide
- Add on Storage Cupboard with Waterproof Area for Sink and Taps
- Add on Storage Cupboard for Visualiser, Printer or AV Equipment
- Decorative End Finishing Panels
- Vertical Scribe Finishing Panels

If a school, college or university would like to use their existing equipment, all of the **Teacher Wall systems are capable of accepting any existing make of interactive white board, ceiling hung projectors, ultra-short throw projectors, E-Beam projectors and touch screen televisions**. We can adapt our Teacher Wall system to accommodate existing equipment with our *MADE TO MEASURE, MADE TO FIT* facility.

Teacher Wall system **1** allows the use of a ceiling mounted or ultra-short throw projector/touch screen TV, at an overall storage height up to 2600mm.

Teacher wall system **2** allows the use of a ultra-short throw projector/touch screen TV at an overall storage height of up to 3100mm.

Teacher Wall system **3** allows the use of an E-Beam projector with three sliding dry wipe doors fitted with an anti-slam brake system, at an overall storage height of up to 3100mm.

Teacher Wall system **4** allows the use of a height adjustable touch screen television using a specially designed remote controlled heavy duty electric height adjustable TV mount.

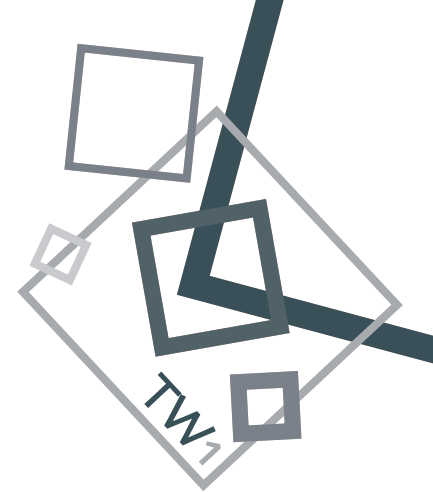

For any further information or to arrange a meeting to discuss the Teacher Wall systems further, please call us on **01763 500115** or email us at sales@alexandergreeninteriors.co.uk
